# About Company

At **CompuDevices.com**, we are your one-stop shop for all your IT hardware needs. We pride ourselves on being a trusted partner for high-quality computer hardware solutions. With over a decade of experience in the industry, we specialize in providing a comprehensive range of products that cater to the needs of businesses, IT professionals, and tech enthusiasts. Our portfolio encompasses a wide array of computer parts, ensuring our customers have access to the best technology to power their operations.

## Mission Statement

At **CompuDevices**, our mission is to empower businesses and individuals by providing high-quality and reliable computer hardware solutions that enhance productivity, efficiency, and innovation. We believe that technology should be accessible, intuitive, and designed to elevate your potential.

## Our Vision

Our vision is to become a global leader in the computer hardware industry, recognized for our commitment to quality, customer-centric approach, and innovative solutions. By continuously expanding our product range and embracing new technologies, we strive to set new standards in service excellence and customer satisfaction.

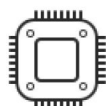

# Our Product Catalog

At **CompuDevices.com**, we offer a comprehensive range of computer hardware products that cater to diverse applications, from personal computing to enterprise-level IT infrastructure.

## Memory

From DDR5 to DDR4, Fully Buffered to ECC memory, we offer a wide variety of memory modules to boost your system's performance.

## CPU Processors

From AMD Ryzen to Intel Core, we have the latest CPU processors that deliver the speed and power needed for demanding tasks.

## Networking Equipment

Our inventory includes network switches, wifi routers, firewalls and other networking accessories to ensure seamless connectivity.

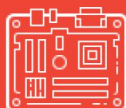

## Hard Drives

High-performance hard drives featuring high-capacity storage, reliable performance, and compatibility with various systems.

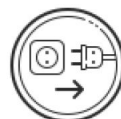

## SSD Drives

Fast and efficient SSDs for improved system speed. High-speed data transfer, low latency, and enhanced system performance.

## Motherboards

Upgrade your systems with our motherboards from Asus, Intel, Gigabyte, AMD, and other leading brands.

## Power Supplies

Ensuring stability and efficiency in power management. We provide reliable power solutions for desktops, servers, and other IT equipment.

## Printers & Accessories

A comprehensive selection of printers and accessories designed to meet all your printing needs.

At **CompuDevices.com**, we offer a comprehensive range of computer hardware products that cater to diverse applications, from personal computing to enterprise-level IT infrastructure. At **CompuDevices.com**, we offer a comprehensive range of computer hardware products that cater to diverse applications, from personal computing to enterprise-level IT infrastructure.

# Best Selling Products

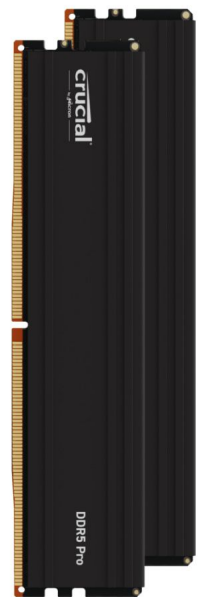

At **Compu Devices**, we take pride in offering top-notch hardware that meets the needs of gamers, IT professionals, and businesses alike. Here are some of our best-selling products according to their respective categories, that are sure to enhance your tech setup:

## Memory

### Crucial - CP2K48G56C46U5

96GB (2x48GB) 5600 Mhz / PC5-44800 DDR5 Memory Module

<b>Massive Capacity</b>	With 96GB of memory, experience seamless multitasking and optimal performance for memory-intensive applications.
<b>Next-Generation Speed</b>	DDR5 technology offers a blazing 5600 MHz speed, ensuring faster data transfer and smoother system operation.
<b>High Compatibility</b>	Unbuffered DIMM 288-pin format makes it compatible with a wide range of high-performance motherboards.
<b>Peace of Mind</b>	Free ground shipping and backed by a 30-day easy return warranty for hassle-free shopping.
<b>Brand New</b>	Delivered in brand-new condition for reliable performance and longevity.

## CPUs

### Intel - BX8071513900K

Core i9-13900K Tetracos-core (24 Core) Processor

Featuring 24 cores and 36MB L3 Cache, this powerhouse processor is built for heavy multitasking, gaming, and demanding workloads.	<b>Unmatched Performance</b>
Designed for Socket FCLGA1700, making it compatible with the latest Intel motherboards.	<b>Future-Ready</b>
Offers clock speeds of up to 3.0/2.2GHz for outstanding performance in every task.	<b>Speed You Can Count On</b>
Including free ground shipping, with a 30-day warranty for replacement or refund.	<b>Affordable Power</b>
Professionally refurbished and tested to meet high-performance standards.	<b>Refurbished Quality</b>

# Best Selling Products

## Solid-State Drives EMC - Z16IFE3D

200GB Fiber Channel 4Gbps 3.5-inch Solid State Drive

<b>Reliable Storage</b>	200GB of storage capacity perfect for quick data access and boosting system performance.
<b>Fiber Channel Efficiency</b>	Delivers high-speed 4Gbps data transfer, ideal for demanding applications.
<b>Enterprise-Level</b>	Engineered for business-critical environments, ensuring durability and consistent performance.
<b>Great Value</b>	Free ground shipping and supported by a 30-day warranty for returns or refunds.
<b>Refurbished Excellence</b>	Quality-refurbished to ensure optimal performance at an affordable price.

## Hard Drives Dell - 0G125G

320GB 5400RPM SATA 3GB/s 8MB Cache 2.5-inch Hard Drive

320GB of storage capacity, perfect for everyday use and backup needs.

**Reliable Storage**

5400RPM spindle speed ensures efficient data access for general computing tasks.

**Smooth Performance**

8MB Cache provides a boost to read and write performance, ideal for business or personal use.

**Durable Build**

Professionally refurbished and tested to meet Dell's high standards, backed by a 30-day easy return warranty.

**Refurbished Quality**

## Network Switches

### Cisco - CBS350-48P-4G-NA

48 Ports PoE+ 10/100/1000Base-T + 4 x SFP Ports Layer 2 Managed Rack-mountable Gigabit Ethernet Switch

<b>Powerful Networking</b>	48 PoE+ ports and 4 SFP ports provide extensive connectivity for small to medium-sized businesses.
<b>Managed Efficiency</b>	Layer 2 Managed switch allows for advanced network management, ensuring optimized performance.
<b>Gigabit Speed</b>	Delivers high-speed connections, perfect for data-heavy environments such as offices and data centers.
<b>Business-Class Reliability</b>	Designed to handle the demands of modern networking with ease and efficiency.
<b>Premium Quality</b>	Free ground shipping, ensuring top-tier networking solutions for your business. Comes in new condition with Cisco's unmatched quality.

## Power Supplies

### Thermaltake - PS-SPD-0500NPCWUS-W

Smart 500W 80 PLUS ATX12V 2.3 Power Supply (Black)

500W power supply with multiple output voltages ensures stable and reliable performance for your system.	<b>Consistent Power</b>
80 PLUS certification guarantees energy-saving operation, reducing your electricity costs while powering your components.	<b>Energy Efficient</b>
Shiny black finish and compact dimensions make it easy to install in most standard PC cases.	<b>Compact Design</b>
Supports input voltage from 120V to 230V AC, making it suitable for various regions and power systems.	<b>Wide Compatibility</b>

# Best Selling Products

## Printers & Components Xerox VersaLink C405/DN

Duplex Multifunction Color Laser Printer

<b>High Performance</b>	Print, copy, scan, and fax—all with the efficiency of up to 36 pages per minute (ppm).
<b>Versatile Functionality</b>	Duplex printing for double-sided efficiency and multifunction capabilities make this an all-in-one office solution.
<b>Exceptional Color Quality</b>	Crisp, vibrant color output, ideal for professional documents and presentations.
<b>Easy Returns &amp; Warranty</b>	Comes with a 30-day easy return warranty, ensuring peace of mind with your purchase.
<b>Fast Shipping</b>	Order online and enjoy free ground shipping. For more details, see our shipping policy.

## Motherboards

# MSI - PROH610MGD4

H610M-G DDR4 Desktop Motherboard Intel H610 Chipset Socket LGA-1700 Micro ATX

Supports up to 64GB of DDR4 SDRAM with speeds up to 3200 MHz for seamless multitasking and high-speed data access.

**Powerful Performance**

Includes 2 PCI Express slots, 4 SATA interfaces, and 1 M.2 interface, making it a great choice for gamers, creators, or professionals.

**Versatile Expansion**

Offers 6 USB ports, HDMI, VGA, DisplayPort, and Gigabit Ethernet for a wide range of connectivity options.

**Advanced Connectivity**

Integrated 7.1 channel audio for immersive sound quality, ideal for entertainment and gaming.

**Crystal Clear Audio**

Micro ATX form factor with a shiny design that fits most builds, Comes in brand new condition for reliable performance.

**Compact Design**

# Awards & Recognition

At **Compu Devices**, we are dedicated to excellence in providing high-quality computer and IT hardware. Our commitment to delivering top-notch products and outstanding customer service has earned us recognition in the tech industry. Here are some of the recognitions and achievements that highlight our dedication and success:

**Top Customer  
Satisfaction Award  
(2023)**

**Outstanding  
Product Selection  
(2023)**

**Innovation in  
IT Solutions  
(2024)**

**Excellence in  
Technology Support  
(2024)**

# Partnerships & Collaborations

At **Compu Devices**, we take pride in our strategic partnerships with industry-leading brands, ensuring that we provide our customers with the highest quality products and services. Our collaborations with top-tier technology companies not only allow us to offer a vast selection of premium components but also solidify our status as an authorized reseller of some of the most trusted names in the industry.

## Our Trusted Partners Include

### D-Link®

Empowering uninterrupted connectivity, D-Link provides state-of-the-art networking solutions that keep our customers ahead in the digital age. Together, we bring you reliable and high-performance tech that drives productivity.

Partnering with Extreme Networks, we deliver top-tier network infrastructure that's built for speed, scalability, and security. Empower your business with innovative solutions designed to meet the demands of a connected world.

We are partnered with Intel, bringing you cutting-edge processors and computing innovations that power everything from everyday tasks to high-performance gaming and enterprise solutions.

Through our partnership with Seagate, we bring high-performance storage solutions, from external drives to enterprise-level data management systems.

### Western Digital

With Western Digital, we offer cutting-edge storage solutions that combine speed, security, and capacity. Experience the future of data management with products designed for both performance and peace of mind.

### Lenovo

In collaboration with Lenovo, we supply innovative and powerful computing devices customized to every need. From desktops to laptops, experience unmatched performance and reliability with world-class technology.

Partnering with Cisco means we bring enterprise-grade networking solutions to businesses, ensuring secure and reliable infrastructure that scales with your growth.

# Why Choose Us?

As an authorized reseller **Compu Devices** is your gateway to authentic, top-quality products from these leading brands. Our collaborations ensure that you get the best in performance, innovation, and reliability—backed by manufacturer warranties and our commitment to customer satisfaction. With us, you're not just purchasing hardware; you're investing in technology that drives success.

## Quality

We are committed to providing best quality IT hardware, ensuring reliability and performance

## Customer Service

Our dedicated team is here to assist you with any questions or needs you may have.

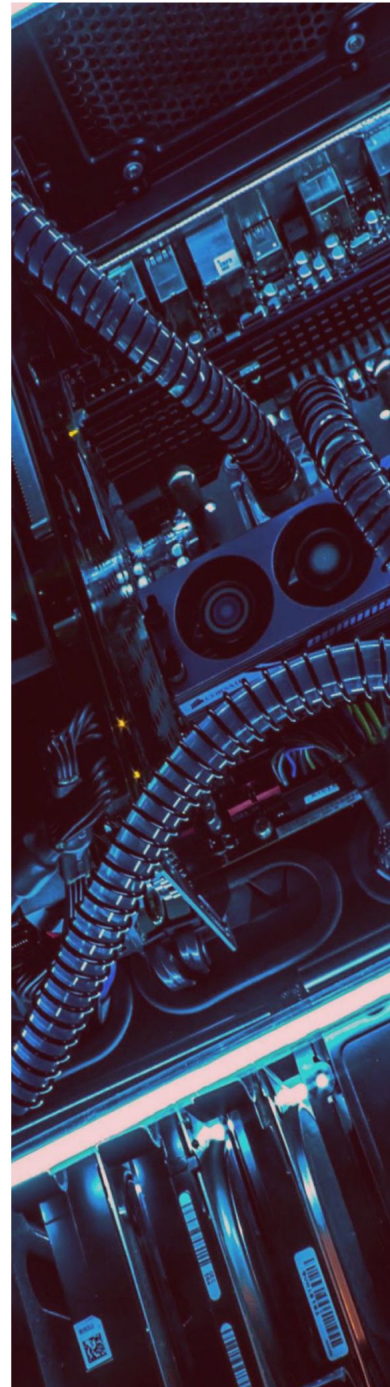

## Best Prices

We offer competitive pricing without compromising on quality.

## Free Shipping

Enjoy free ground shipping on all orders within the USA.

We look forward to continuing to work together to provide our customers with the tools they need to excel in the ever-evolving world of technology.
